FBS Aluminum Raceway

The FBS Raceways are the ideal solution for applications that require a surface mounted raceway. This aluminum raceway is accessible at all length to facilitate wiring and installation; Device plates can be populated with six modules of your choice and installed, moved and removed along the raceway during the installation process. Therefore, the FBS raceways permit to adjust the capacity by adding or removing devices in accordance to the new requirements.
Three channels separate circuits.

Available in anodized aluminum finish provides the perfect aesthetic solution to complement any decor style.

AMR-36065 loaded with six 15A power outlets

Dimensions			
Part Number	Length	Width	Height
AMR-36065	78.75	2.55	3.85 In

NOTE: The aluminum raceway system is considered a "Made to order" item. Minimum order required. Lead time varies. Ask for details.

Features

- Aluminum housing - Metal gray anodized finish

- Manufactured in compliance with UL5 standard -

- Yoke UL 94 V0 material

- 15 A Receptacles -UL Listed

- Supports future changes. - Allows the user to install, move and change the modules with raceway in-situ.

- Channels separate circuits

- Accepts standard keystone style jacks

- Configurable (AC, Data, A/V)

- Accepts Panduit Mini-Com jacks

- 5 years warranty
