

## FBS Aluminum Raceway

The FBS Raceways are the ideal solution for applications that require a surface mounted / wall mounted raceway. This aluminum raceway is accessible at all length to facilitate wiring and installation; Device plates can be filled with six modules of your choice and installed, moved and removed along the raceway during the installation process. Therefore, the FBS raceways permit to add devices at any time in accordance to the new requirements.

Three channels separate circuits.

AMR-36065 loaded with six 15A power outlets  
Available in gray anodized aluminum finish.

Dimensions			
Part Number	Length	Width	Height
AMR-36065	79	2.55	3.85 In

**NOTE:** The aluminum raceway system is considered a "Made to order" item. Minimum order required. Lead time varies. Ask for details.

### Features

- Aluminum housing - Metal gray anodized finish.
- Channels separate circuits .
- Manufactured in compliance with UL5 standard -
- Accepts standard keystone style jacks.
- Yoke UL 94 V0 material.
- Configurable (AC, Data, A/V).
- 15 A Receptacles -UL Listed.
- Accepts Panduit Mini-Com jacks.
- Supports future changes. - Allows the user to install, move and change the modules with raceway in-situ.
- 3 years warranty.

**AMR-36065**

78.75 x 2.55 x 3.85 In. - Base and front cover -Anodized aluminum finish - Metal Gray - Yoke sold separate.

**AMR-FE065**

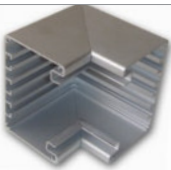

Flat elbow

**AMR-EE065**

External elbow 90 deg
